Announcement

In offering for sale by auction this herd of Shorthorns we wish to call attention to the fact that it is now at the height of production, is entirely free from disease, has been tested within thirty days of the sale and is, we believe, as good a collection of Shorthorns of its size as can be found anywhere.

By studying this catalog you will see that the bloodlines are the best. The pictures give some idea of the type and quality of the cattle but pictures cannot do justice to really first class animals and we know that you will not be disappointed in them when you see them. Also, we are sure that you will profit from purchases of members of this herd.

We have done our best to produce top cattle of the breed. The herd is in top condition and is highly productive. We invite you to come to the sale and to buy.

B. C. O'MALLEY & SON.

The O'Malley herd, long has been one of Iowa's leading Shorthorn establishments. The cows are modern in type, rich in quality and impressive in character. The bulls used in the herd during the thirty years of its existence have been the best obtainable. At many of the principal shows and sales held by the Iowa Shorthorn Breeders' Association cattle from this herd have won championships and have been the top sellers. The herd is now better than ever before and those who buy at this sale are sure to profit from their purchases.

The time is ripe for starting new herds and improving old ones. The O'Malley cattle are of the kind to use to make Shorthorn Breeding a profitable enterprise. In the sale are large numbers of Shorthorns of the right kind. You cannot do better than to buy here.

WILL JOHNSON of the Shorthorn World.

Terms and Conditions

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the sellers herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyers costs of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between the seller and buyer. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

Certificates of registry and transfers of ownership will be furnished for each lot. Applications for registry for calves sold beside their dams and for calves sold in dam also will be furnished free of charge.

All animals will be at buyer's risk as soon as bid off but the seller will load the cattle, free of charge, on the C. M. & St. Paul or M. & St. L. Railways or on trucks at Perry. Reasonable care will be taken to prevent accidents.

The sale will be held in the comfortable Conway sale pavilion at **PERRY, IOWA**, on **WEDNESDAY, OCTOBER 2, 1935**, commencing at twelve o'clock noon.

Perry is 36 miles Northwest of Des Moines on paved State Highway No. 17 and is three miles West of U. S. Highway No. 169 at the intersection of State Highway No. 17.
